

Three Days of Strong Interactions and Astrophysics HLPW 2008

Joint Meeting Heidelberg-Liège-Paris-Wroclaw

Organised by
the group of Fundamental Interactions in Physics and Astrophysics
Department of Astrophysics, Geophysics and Oceanography,
B5a, University of Liège B-4000 Sart Tilman Liège 1, Belgium

March 6–8, 2008, Spa, Belgium

Venue

Sol Cress Domain

Spaloumont, 5 - B-4900 Spa, Belgium

Phone : +32 87 77 23 53 Fax : +32 87 77 48 93

Webpage : www.solcress.be

DEADLINES

- Registration and Abstracts (10 lines max.):
DECEMBER 15, 2007
(conf@qcd.theo.phys.ulg.ac.be)
- Proceedings: **May 31, 2008**

Subjects

- QCD at High Temperature and Density
- Quark Matter in Compact Stars
- Quarkonium Production and Suppression
- Diffractive and Exclusive Hadronic Processes
- Selected Topics in Astroparticles
- Recent Advances in QCD

Scientific Committee

- D. Blaschke, Wroclaw U.
- J. Cugnon, ULg
- D. Hutsemekers, ULg
- Y. Kalinovsky, JINR-Dubna
- H.J. Pirner, Heidelberg U.
- M. Polyakov, Bochum U.
- C. Roy, SUBATECH-Nantes
- C. Volpe, PARIS XI

Organising Committee

- Joseph Cugnon, ULg
- Jean-Philippe Lansberg, Heidelberg U.
- Fabio Maltoni, UCL
- Nicolas Matagne, ULg

Fees

The Fees include accommodation in single room, all meals, coffee breaks and proceedings.

- 275 € for participants
- 225 € for companions (in double room)
